Larry Blosser, Director  
Fayette County Election Bureau  
Public Service Building  
22 East Main Street  
Uniontown, PA 15401

Director Blosser:

I am writing to you today to bring your prompt attention and request an investigation into what I perceive as a blatant violation of Title 25, section 1711(a)(3) of the Pennsylvania Election Code.

That section allows no person to “[i]ntentionally give or promise or offer to give money or goods to an individual as an inducement for the the individual to enroll in a particular party or for a registrant to change political affiliation.”

As you can see from the attached Exhibit 1, Democrats at the Fayette County Fair are in violation of this section by entering in a prize raffle those registering as Democrats or changing their party affiliation to Democrat.

It is my hope that you would give immediate consideration to this request for investigation to ensure no voter is disenfranchised or illegally enticed to register or change party affiliation.

Thank you for your attention to this matter.

Sincerely,

Val DiGiorgio  
Chairman  
Republican Party of Pennsylvania

CC: Richard Bower, Fayette County District Attorney
